} 3 A's of Food Security

Right to Food - anybody born in India has it
↳ National Food Security act of 2013.

India provides food subsidies to 80 crs people but employment must also be provided.

food is responsibility of parents till working age

Procuring of food grain is responsibility of central government and distributing it to the states that need it.

State government identifies the household that needs ~~food (art.)~~ what cost of food.

local government ensures what will be available in the ration shop at that day

~~Digital~~ Public distribution system (PDS) has become targeted PDS - for below poverty line HH)
Digital PDS in Karnataka ~~Karnataka~~
↳ disadvantage → Malpractice at highest level
↳ Highly subsidised ~~food~~ rations → reason for mass misuse & improper diversions
↳ advt → instant access to transaction
↳ stopped malpractice
↳ maximized the reach of food to people.
↳ satisfied customer base
↳ solves language barrier

In 1996 TPDS was established
